AND FORM
Dated 11 January 2021

THIS DOCUMENT IS IMPORTANT

If you are in any doubt as to what action you should take once you have read this document, you should consult your professional adviser immediately.

Dividend Reinvestment Plan ("Plan")

The Plan enables you to increase your holding of common shares ("Shares") of Somers Limited (the "Company") in a simple manner, without having to pay stamp duty and dealing costs. You are invited to make an election to receive allotments of additional fully paid Shares instead of receiving cash dividends. You may cancel this election at any time.

Capitalised terms used herein and not otherwise defined shall have the meanings set out in the Terms and Conditions of the Dividend and the Plan.

Cash Dividends

If you wish to continue to receive your Dividends in cash, you need to take **no action**. You will still be able at any time in the future to make an election to participate in the Plan, subject to such deadlines as may be applicable, and subject also to availability of new Shares.

Method of calculation and notification

If you elect to participate in the Plan, the number of new Shares you will be allotted will be calculated by dividing the total amount of the cash Dividend which you would otherwise be entitled to receive by the Purchase Price of the Company's Shares.

Fractional Shares

No fractional Shares will be issued and in the event that any fractional entitlement would be created by the application of the calculation formula then the cash value of that fractional entitlement will be carried forward until and credited towards the payment of the next Dividend. All new Shares issued instead of cash will automatically increase the holding on which the new entitlement to participate in the Plan is calculated.

Expenses

If you subsequently sell the new Shares any trading fees will be your responsibility.

DIVIDEND REINVESTMENT PLAN

Shares held in book stock form

Share certificates will not be issued unless you specifically request one in writing. Instead, you will receive an advice detailing the number of shares held at the record date, the shares allocated under the Plan and the cash value of any fractional shares carried forward to the following dividend payment. You may in future obtain share certificates reflecting your previously non-certificated shares at any time on reasonable written notice to the Company's Registrar, Somers Limited, at the address shown on page 4.

Election to the Plan

Elections will only be accepted in respect of your full holding. you cannot make an election in part. To help keep the costs of the Plan low you may not opt for part cash, part new shares; it is all or none.

Withdrawal from the Plan

The Plan is entirely voluntary - you may discontinue your participation at any time by giving notice to the Registrar in writing. If your request to withdraw from the Plan is received before the dividend record date, your termination will be processed as soon as practicable, and payment of cash dividends will be made in future unless you rejoin the Plan.

If you wish to receive your dividends in the form of new Shares, you should complete and return the enclosed Form of Election to the Registrar, so that it arrives on or before close of business on the next dividend record date.

Rank and Listing of Shares

The new Shares of the Company will be allotted fully paid and will rank equally with existing Shares of the Company in all respects. The new Shares will be issued subject to the terms of the Company's Constitutional Documents and subject to the laws of Bermuda. The existing Shares of the Company are listed on the Bermuda Stock Exchange ("BSX"), and the Board of Directors of the Company may choose to issue new Shares to you in which case, those new Shares issued under the Plan will be included in these listings. Alternatively, the Board of Directors may choose to issue you with Shares which are already listed and which the Company hold in treasury.

Commencement of Plan

The Board of Directors of the Company has approved the commencement of the Plan beginning with the payment of the next dividend declared by the Board. While it is anticipated that sufficient Shares will be made available over the next several years to those you who elect to take part in the Plan, the Directors reserve the right at any time in their absolute discretion to suspend or terminate operation of this Plan.

Further Information

You can request a copy of the Dividend Reinvestment Plan, including its terms and conditions from the Registrar. The Plan is dated 11 January 2021.
